

# **G Force** Global Technologies, Inc.

**G Force** Global Technologies would like to take the opportunity to thank all the attendees of our first four AB Suite Seminars as well as Unisys for partnering with us to make the seminars successful. The feedback has overwhelmingly indicated the success of these workshops as well as the need for such an event.

G Force would like to offer special thanks to Diane McGonigle and Alan Hood of Unisys for their support.

## **Comments from attendees:**

We at G Force look forward to assisting you as you move forward with your AB Suite training and implementation plans.

If you have any questions about the services or training that we can provide to assist you as you move forward to AB Suite, please do not hesitate in contacting us. We would be more than happy to custom tailor an education and migration plan for your organization. If you would like to host one of the AB Suite Jumpstart Workshops at your facility, please contact us.

G Force will be hosting additional seminars in conjunction with Unisys in the latter part of 2007. If you would like to host a seminar at your site, please contact us at [info@gforceglobal.com](mailto:info@gforceglobal.com). We will also be providing sessions and customer presentations at Unite. We look forward to working with you in the future and wish you well as you proceed with your AB Suite implementation.

Attached is a .pdf file outlining contents of the seminars.
